

Angela Riddle

Special Education Coordinator/504 Coordinator

About Me

I've been married for 25 years to the love of my life, Jason. We have three kids and one grandchild so far: two sons ages 24 and 19, a five-year-old daughter and a two-year-old granddaughter. I love spending time with my family and friends! We like to go camping, canoeing and four wheeler or dirt bike riding. I love the beach and the mountains, and will go any time I have a chance. I also like to read, draw and travel.
