### About Me

I am a son of Pickens, born and raised. I played college football for the mighty Newberry Wolves and enjoy hunting and fishing. I returned to Pickens after graduation and began working for Behavioral Health Services Pickens County, serving the community that I love. Excited now for the opportunity to work with the youth in my hometown!

### Credentials

- Bachelors in Psychology/Education, Newberry College
- Certified Tobacco Education Program Facilitator, Adolescent Anger Management Facilitator, SPORT Facilitator, AT Youth Facilitator, Trauma Informed Care Facilitator/Trainer
