### About Me

I am a lifelong resident of Pickens County. I love to spend time with my husband, family and friends. I love sports, chocolate, fall and Chick-Fil-A. I am a graduate of Pickens High School and North Greenville University. Prior to employment at the Youth Leadership Academy, I was a teacher for 3 years in the Pickens County School District. I have a passion for students and I am excited to be a part of YLA.
