About Me

I've been married for 37 years to my husband, who is employed by Michelin in Greenville. We have two grown children. Our daughter is a veterinarian in Taylors who graduated from Clemson University and Texas A&M University. Our son also graduated from Clemson and is now employed by Michelin in Greenville after completing four years in the United States Army and leaving as a captain. In my free time I enjoy reading, traveling and puttering with my flowers in the back yard.
