

CELL PHONE AND SMARTWATCH POLICY

Students may possess cell phones and smartwatches during in-person events. However, personal use of cell phones and/or smartwatches is strictly forbidden during educational activities in accordance with the SC Free to Focus initiative. Students should not be on cell phones during live lessons. Failure to follow this policy will result in disciplinary action. Phones can be used to communicate about transportation (with prior teacher permission) during in-person events.

- The first offense of this policy will result in the teacher taking the cell phone and/or smartwatch until the end of the day of in-person events.
- The second offense of this policy will result in the loss of privilege to have a cell phone and/or smartwatch on campus and a possible strike.
